Subject: Opposed to Sinclair Tribune merger

Dear Sirs,

As a concerned citizen, I am greatly concerned about the proposed merger between Sinclair and Tribune, not only for the 72% market share it will give one company, but also because that company will not be required to notify its viewers that it is broadcasting bias in its news stories. I call for a return of the "Fairness Doctrine" in all news broadcasting and reporting as the only way to beat back the onslaught of fake news.

Sincerely,

Jill Gambaro
