**Subject:** Concern about Sinclair Broadcast Group

AUG 8 - 2017

Federal Communications Commission  
Office of the Secretary

Please be aware of the extremely high level of concern about the plans Sinclair Broadcast Group have to indoctrinate our citizens with their alt-right point of view by requiring stations to air their very right wing slanted "news". Of course you are aware of Donald Trump's track record for creating his own reality and ignoring truth.

Sinclair is just another tool for such politicians which allows them to distort public understanding of truth and ultimately destroy our democracy if they succeed.

PLEASE stop this before it is too late.
