FCC Form 471 Application #: 161016159

Dear Ms. Dortch,

I am writing on behalf of the University of New Hampshire – Dept. of Telecommunications (UNH). The service provider's 498 Filer ID is 143006548.

UNH would like to request that the FCC grant a waiver of the Funding Year 2016 invoice deadline and allow them to file a successful Form 474 for FRN 1699032376.

By way of background, in June of 2017 the staff member who for several years had been handling all E-Rate forms left abruptly. E-Rate related tasks then fell to a new staff person with no prior experience with the E-Rate program. The new staff person reviewed the available inhouse documentation and placed repeated calls to the Client Service Bureau (CSB) in an effort to learn more about what needed to be done. Their documentation *seemed* to indicate that the correct numbers to use on a **2016** Form 474 were **2015** Form 471 # 1033240 and FRN 2809014.

As a result, just as the 2016 funding year ended, the new staff person attempted to file a timely 2016 Form 474 based on the information that had been left for him regarding this particular applicant. This led to UNH filing a timely Form 474 on July 6, 2017 - but for an FRN from the previous year. Calls to the CSB did not help to clarify what had gone wrong with this 1st Form 474 because CSB representatives did not realize the service provider intended to file a Form 474 for the 2016 funding year and should have been referencing a 2016 FRN.

Several factors resulted in this Form 474 not being successful. The 471 and FRN numbers were wrong, but another issue was that the “Total Amount (UnDiscounted)” was entered as a lump sum, not broken out into separate lines with the associated “Bill Date”. This was due to the fact that the new staff person who was learning about E-Rate was following the format of the forms completed by his predecessor in previous years. All of this resulted in the 1st Form 474 not being paid. A copy of this Form 474 2621859 is attached.

On July 11, 2017, UNH received a Remittance Statement which indicated that the 1st Form 474 had failed. At this point a 2nd Form 474 was filed. This was Form 474 # 2636956. Customer Service Case # 189201 was opened on August 1, 2017 as UNH tried to determine the status of their 2nd Form 474.

The 2nd Form 474 failed as well, due to the same issues. The service provider did not then understand what had caused the 1st Form 474 to fail. A Remittance Statement for this Form 474 was received on July 20, 2017. A copy is attached.

Additional calls to the CSB produced new information and a 3rd Form 474 was filed on September 26, 2017. However, it appears that the 471 and FRN numbers had been corrected, but the “Bill Dates” were still incorrect and that form failed also. This was Form 474 # 2695526.

Increasingly concerned, UNH escalated this issue within USAC. This resulted in a conference call involving USAC and the several representatives of UNH led to the first FCC Appeal being filed on November 3, 2017. This was only four (4) days after the invoice deadline of October 30, 2017.

The ID for this November 3, 2017 appeal is 1103113849649. A copy is attached. This request appears to have been submitted as a Comment, as opposed to a Request for Waiver. However, it seems to have been processed as a Request for Waiver. A copy of this Comment is attached.

On December 29, 2017 the FCC issued a Public Notice and denied UNH’s Request for Waiver. This Public Notice was mailed with a cover memo on January 2, 2018. Unfortunately, the memo and Public Notice was sent to the attention of Jerry Hunter who is the *applicant contact*, not the service provider contact. The mailing address was correct, but the individual the letter was addressed to was incorrect. As a result, the Public Notice did not reach the appropriate department within UNH in a timely fashion.

On March 5, 2018 UNH opened a case with the CSB regarding an Extension Request. UNH had discovered that invoice deadline extensions could be requested, but learned it was now too late to file that type of request.

Having received the Public Notice many weeks after it was sent, UNH realized they needed to respond to the FCC by filing any Request for Waiver that contained more information. And so, on March 12, 2018 UNH filed another Comment with the FCC. This was only ten (10) days after what might have been the deadline for appeal if the Public Notice had been mailed to the correct person, Luke Cahoon.

The ID for this March 12, 2018 Comment is 1031295610502. It is unclear whether this was also reviewed and processed as a Request for Waiver. UNH never received a Public Notice regarding the outcome of this Comment/Request for Waiver. We are wondering if perhaps a notice was sent, but again, to the *applicant contact* at the service provider's address. A copy is attached.

In the absence of information about their March 12th Request for Waiver, CSB Case Number 239226 was created on June 7, 2018. It contains the description, "Ongoing issues with invoicing". UNH was still being conscientious and making a concerted effort to follow the instructions they were given regarding the E-Rate process.

Finally, on June 22, 2018 UNH received a Revised Funding Commitment Decision Letter (RFCDL) with a Review Status of "denied". It is unclear whether this was the result of the FCC Request for Waiver that was submitted on March 12, 2018. A copy is attached.

In summary, UNH filed three (3) Forms 474 in an attempt to be reimbursed for service provided to a single NH school. After all three failed, they missed the invoice deadline by only four (4) days. Once they discovered the 3rd form had not resulted in reimbursements, they immediately attempted to file an FCC Request for Waiver of the invoice deadline. However, being new to the system, they twice filed a Comment, as opposed to a Request for Waiver.

It seems that during this process it would have been helpful if the CSB could have let the staff at UNH know that they had the opportunity to file an extension request when they called to try to find out why the 3rd Form 474 dated September 26, 2017 also failed.

In conclusion, UNH is primarily a university, not a large telecommunications company. They have had only two (2) E-Rate customers each year since 2011. They have also been filing only one (1) Form 474 each year since 2011. They have not required extensive E-Rate expertise in order to file one (1) Form 474 per year.

In spite of the sudden staff change in June of 2017, UNH moved forward and took advantage of the available resources in their multiple attempts to file a timely, accurate Form 474. The nature of the staffing change did not allow time for inhouse E-Rate training or the transfer of information regarding how to handle the E-Rate process.

I am filing this request for waiver and understand that there is a precedent for the FCC approving Requests for Waiver if there have been a ministerial or clerical error, and/or there are extenuating

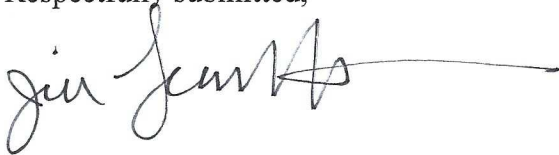

circumstances. We believe the timeline of events included in this Request for Waiver indicates a concerted and honest effort to file an accurate Form 474, on time, and in compliance with all E-

Rate rules and regulations. All errors were not fraudulent, but the result of lack of training and information.

Ultimately, after receiving the June 22, 2018 RFCDL, UNH contacted E-Rate Strategies, LLC to request assistance with the E-Rate filing process. They now have all of the assistance they need in order to file an accurate Form 474.

I respectfully request that the FCC consider this request and grant an invoice deadline waiver.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jill Leavenworth", followed by a long horizontal line extending to the right.

| Brief Comment | <p>Hello. I have been trying to submit a 474 form for Erate reimbursement on behalf of the University of New Hampshire. We (UNH telecommunications) are a service provider who provides services to an eligible organization (Crotched Mountain). I have submitted the form several times and keep getting notified that our disbursement amount is \$0. I have called customer support several times to try and fix the issue. I was advised to enter specific dates but every time I followed the instructions given to me on the phone I still received the same email notification that our disbursement didn't go through. I called today and I think the issue is finally resolved. However, I was told that now I need to file an appeal because it is beyond 120 days from the end of the contract (Crotched Mountain is an on-going client of ours but I guess the end of the contract refers to the end of the fiscal year 6/30/17). I ask for a one-time extension or waiver of the 120 day deadline because I have made several attempts to resolve this issue and get my form submitted within the time window. USAC customer service has been friendly but I feel like I was given inaccurate and/or incomplete information when I called on numerous occasions.</p> | | |

STREAMLINED RESOLUTION OF REQUESTS RELATED TO ACTIONS BY THE UNIVERSAL SERVICE ADMINISTRATIVE COMPANY

CC Docket No. 02-6

Pursuant to our procedure for resolving requests for review, requests for waiver, and petitions for reconsideration of decisions related to actions taken by the Universal Service Administrative Company (USAC) that are consistent with precedent (collectively, Requests), the Wireline Competition Bureau (Bureau) grants, dismisses, or denies the following Requests.¹ The deadline for filing petitions for reconsideration or applications for review concerning the disposition of any of these Requests is 30 days from release of this Public Notice.²

CC Docket No. 02-6

Dismissed on Reconsideration³

¹ See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Section 54.719(b) of the Commission's rules provides that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Section 54.719(c) of the Commission's rules provides that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. 47 CFR § 54.719(b)-(c). In this Public Notice, we have reclassified as Requests for Waiver those appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review those appeals seeking a waiver of the Commission's rules but are actually seeking review of a USAC decision.

| Brief Comment | <p>Hello. After several communications with USAC/ERATE I was advised to re-submit my FCC petition because my first petition may have lacked detail. I have worked closely with USAC over the last several months (and intensely over the last few weeks) to get a resolution to this issue. SPIN: 143006548 FRN: 1699032376 I have been trying to submit a 474 form for ERATE reimbursement on behalf of the University of New Hampshire. We (UNH Telecommunications) are a service provider who provides services to an eligible organization (Crotched Mountain). I have submitted the form several times and every time I have been notified that the disbursement amount would be \$0. I have called customer support several times to try and fix the issue. I was advised to enter specific dates but every time I followed the instructions I was given on the phone I would still receive notification of a \$0 disbursement. After several emails and phone calls I believe the issue has finally been resolved but I am now told that I need to petition to submit the 474 form since the deadline has passed. The University of New Hampshire has been a long standing service provider in the ERATE program. We have provided excellent service to our clients and have always been responsible in our filing requirements. This is the first year we've ever experienced an issue. It was a confluence of events that led to this problem. First, due to a unanticipated staffing change we were forced to have someone new to the process (me) attempt to file this form. I leaned heavily on support from customer service and unfortunately I believe I was given faulty information on the phone on multiple occasions. I have since become well versed in the program and this will not be an issue moving forward. I ask for a one-time exception to allow us to file our form 474 past the deadline. UNH is a financially strapped, public university and losing out on this reimbursement, for a service we provided, would be a legitimate financial hardship. Thank you very much for your time and consideration.</p> | | |

| Revised Commitment Amount | \$12,806.40 |

What is in this letter?

Thank you for submitting your post-commitment request for Funding Year 2016 Schools and Libraries Program (E-rate) funding. Attached to this letter, you will find the revised funding statuses and/or post commitment changes to the original Funding Commitment Decision Letter (FCDL) you received. Below are the changes that were made:

- Appeals

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

Next Steps

1. **FCC Form 486.** If your applicant(s) has not already filed the **FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, please make sure they review CIPA requirements and file the form(s).

Service Provider: University of New Hampshire - Dept. of Telecommunications

2. **Make sure your applicant(s) file the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if they have not already done so. Please make sure they review the CIPA requirements and file the form(s).
 - **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
 - **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
3. **Invoice USAC**, if you or your applicant(s) have not already done so. Work with your applicant(s) to determine if you will bill them at a discounted rate or if they will request reimbursement from USAC after paying their bills in full.
 - **If the applicant is invoicing USAC:** They must pay you (the service provider) the full cost for the services they receive and file the [FCC Form 472](#), the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
 - **If you (the service provider) are invoicing USAC:** You must provide services, bill the applicant for the non-discounted share, and file the [FCC Form 474](#), the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, you must file an [FCC Form 473](#), the Service Provider Annual Certification Form, to be able to submit invoices and receive disbursements.
 - **To receive an invoice deadline extension, the applicant or service provider** must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

Note: The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the [E-rate Productivity Center \(EPC\)](#) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's [website](#) for additional information on submitting an appeal to USAC, including step-by-step instructions.

Service Provider: University of New Hampshire - Dept. of Telecommunications

SPIN: 143006548

Post Commitment Wave: 50

- **To request a waiver of the FCC's rules or appeal USAC's appeal decision**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the [Electronic Comment Filing System](#) (ECFS). Include your contact information, a statement that your filing is a waiver request, identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Revised Funding Commitment Decision Comments:

Post Commitment Rationale:

Your appeal is a request for a waiver of the invoice filing window. Federal Communications Commission (FCC) rules do not permit USAC to consider requests for waivers of FCC rules. If you believe there is a basis for further examination of your request, you may file a waiver request with the FCC. Detailed instructions for filing waiver requests with the FCC are available at: <http://www.usac.org/sl/about/program-integrity/appeals.aspx>
