**Re: Notice of *Ex Parte*, WP Docket No. 07-100**

August 22, Mark Reddish and I met with Umair Javed of the Office of Commissioner Rosenworcel. The primary purpose of the meeting was to discuss APCO's positions, as filed in the record, regarding dedicated public safety spectrum in the 4.9 GHz band, including the importance of preserving this band to provide public safety users with high-bandwidth, broadband communications tools to enhance mission-critical operations.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being filed electronically with your office.

Respectfully submitted,

/s/

Jeffrey S. Cohen  
Chief Counsel
