Office of the Secretary

Gentlemen,

I am writing to express a concern about Sinclair Broadcasting's plans to acquire Tribune Media. I know we live in a society where "assumed innocent until proven guilty" but I think given the extreme circumstances of a Grand Jury probe into allegations of Russian interference with our recent Presidential Election and possible collusion between our President and members of his team with the Russians to gain an advantage, possible obstruction of justice charges and the multitude of lies and contradictory statements coming from this administration we should be very aware of attempts to gain influence over American's thinking.

At a time reckless tweets threaten unprecedented fire and fury risk potentially triggering a war not just with North Korea but also China control of our airwaves by an entity which forces its stations to run stories favorable to the current administration feels detrimental to a free and independent press that prioritizes getting a story correct over choosing sides. The press should report the news not influence or fabricate it.

Thank you for your consideration
