***URGENT: Your telephone services in Florida will be impacted unless you take action!***

Dear Valued Customer,

To avoid a **permanent disruption of your telephone services**, please contact Talk America Services at 1-800-962-4772 as soon as possible to discuss your available options for selecting an alternative service provider. Failure to do so may result in insufficient time to transition your services to an alternative provider. If you subscribe to our internet access or long distance services, you will experience loss of those services if you fail to transition to another provider or providers before October 10, 2019. Therefore, you will need to migrate the services you now receive from Talk America Services to an alternative provider **before October 10, 2019.**

A filing is being made with the FCC for approval of this discontinuance of service. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the \$63.71 Application of Talk America Services, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
