**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to retain competition in the Internet service realm; we have consistently seen what happens when the big carriers eliminate the competition and raise prices with lower customer service.

Internet is critical in all of our daily lives in the personal, business and community world.

Thank you for standing up for the people and not the big money corporations.
