**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who has been stuck in monopolized ISP territory for most of my life. It wasn't until finding a region with multiple providers that I realized how much of an impact that competition actually makes on quality of service. Monopolies don't build infrastructure for the public good, competition does. I need broadband as an archivist, a citizen, and a future business owner. Please don't make things even worse.
