**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive broadband and telephone provider because competition keeps prices within reach, the service is personalized .

Corporate conglomerates like ATT create monopolies and cause prices to skryrocket beyond the ability of low income seniors like me to afford them.

Access to internet services is essential for every household in America.
