**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am the customer of a local ISP and enjoy their simple and moral business model. The service they provide gives me access to unfiltered and unthrottled data, necessary conditions for my livelihood and for our democracy. If a few companies can control out access to data with monopolistic practices, our economy and freedom are in jeopardy. Please save local providers!
