**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow for Bridge 2 Broadband. It feels un-American to create these monoliths and not let competition thrive, especially for smaller companies who have such a small share in the market.

Broadband is important for me and my family and supporting competition only makes it better for consumers as it is a absolutely a necessary utility now.

Thanks,

Ann Hoang
