**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to you to show support for Sonic.net, my local broadband provider, who provides an amazing service relative to the big telco alternatives in my region. Not enabling them to easily or effectively compete with critical service components will hurt us as consumers, create less choice, less competition, and higher prices for lesser service. This is exactly what the FCC stands to protect. Please help our local provider survive and thrive, we need them here for a critically better quality of service. Thank you. Marc Heyneker, SF, CA
