**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like having a choice among ISPs. Having a choice in a competitive market is very American!
Please do not take that choice away.

Taking away choices means that fewer providers can dictate the market. When that happens, these same providers can exert monopoly-like control of prices. Affordable access to the internet is great for the economy and great for capitalism.
