**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good for consumers. I chose Sonic.net because I wanted reliable. fast internet service with good customer service at a competitive price. With AT&T, which I had before Sonic, I got a good introductory price but had to agree to a long contract and then expensive service with terrible customer service after the contract period expired (I'm experiencing this now with DirecTV). For years Sonic has provided me with just the type of internet service I want: reliable. fast internet service with good customer service at a competitive price. Please take whatever action is necessary to ensure that Sonic may continue to do this.

Thank you,
