**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe in competition as an economic driver. The only way to get competition in broadband is to give multiple providers access to the last-mile copper or fiber. Otherwise the owner of hat last mile has a monopoly. Please keep competition alive in broadband by preserving access to the last mile for multiple providers.
