**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The telecom companies receive billions from taxpayers every year, yet were charged hundreds of dollars a month for limited cellular service and locked into 1 or 2 ISPs even in tech-rich areas. The U.S. seems to be the leader in waste and corruption. Other countries do more with less and these companies are holding our country back.
