**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please act now to preserve our rights and some semblance of competition in this broadband marketplace. The US isnt even in the top ten countries of Internet speed and access and AT &T will ensure we never are. I am a small business owner and we need your help. Broadband and the telephone service are critical to my business and small providers like the ones I use provide crucial services that the majors either dont or charge far too much for.

Thank you,

Mike Phelan
