**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are senior citizens who have Sonic phone and internet service. We were with ATT and every year or more often the price would go up. We had slow dsl service but now have much a much faster internet with fiber along with telephone service that is more than reasonably priced. . Sonic is a local provider not a huge corporation that wants to have an even larger monopoly. Enough is enough, its time to be more responsive to the needs of the little guys like us and less to the selfish, greedy corporations.
