**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't squeeze out smaller internet providers. I appreciate having a choice in what company does my internet and prefer to support local business.

I am still on dsl where I live and competition encourages growth and access to better technology. A competitive market also helps keep costs down so people can afford to keep internet going.

Thanks.
