**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I support broadband competition and am a non-profit leader and private residential owner. Internet access that is fast, reliable and affordable is important and there are already too few options for consumers. Please help support competitive internet the same way my phone service is competitive: affordable, reliable, quality and with many options for carriers.
