**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a VERY happy customer of Sonic.net and have watched them grow and prosper for the very simple reason that they LISTENED to their customers and PROVIDED us with superior service and a higher quality product. PLEASE do not reward other companies who had the same opportunity to compete for our business by forcing Sonic.net to compromise their products and services. As a consumer I despise other companies forcing their way upon customers and resent this current effort to do so. I currently enjoy the product that I need in my home and business and I don't wish to lose it.

Regards
