**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In an effort to have a viable open market, it dependent on you to ensure the big companies don't wipe out the competition. This corporate bullying needs to be managed by you. That is part of your job.

People are running tired of the big monopolies In corporate america today. Put ATT in check.

Thank you
