47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Healthy competition helps encourage innovation and drives competitors to meet the desires of the ever-evolving Customer need. As a Govt entity, we depend on you to protect our rights and provide for a fair and healthy marketplace. Please give innovators, like Sonic, a fighting chance to fair competition and consumers like myself, a healthy market with multiple service providers from which I can decide is most suitable to my needs.
