**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T is a horrible corporation that does not care about the American public, rather they do whatever it takes to make profits. I pay for Sonic because they provide good service and are building a new generation of infrastructure that ATT would rather not build. We need more competition to enable good companies like sonic. Thank you.
