**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I need broadband access in my home to do my work from home every day. I use DSL purchased from a local service provider because of lower cost and superior service; also to contribute to the local economy.

Please do not take away their ability to compete in the marketplace by allowing AT&T and other large companies to limit their access to important infrastructure.

Thank you,
Molly Kirkconnell
