**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I dont wish to be stuck with 2 competitors when it comes to my internet service. The cost of living in SF is hard enough as it is, our local broadband providers are critical to the well being of people who are not well off. I currently have competitive services because of the diversity.

Thanks for listening.
