**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who has struggled underneath cable monopolies for over a decade. The ability to support competition against these large cable conglomerates has perceive me about money and improved my service. Changes to access to last Mile infrastructure will stifle the free nature of capitalistic competition and violate the very tenets of our economy.
