**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We enjoy having Internet on our boat and only sonic provides the service to our location. We do not like the service other

Providers offer especially AT&T. Fair competition has made it reasonably priced to use Sonic as my carrier where AT&T and Comcast way too expensive and do not provide service to my Marina therefore not allowing me to use Netflix or Hulu or any of the other streaming stations which I pay for. If I didn't have internet I wouldn't be able to support these other businesses. Enough of the corporate Giants having monopolies on certain services in holding us hostage.

Truly Ken McDonell
