**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is healthy. Please allow competition in our industries. Corporations that strangle competition crushes other business that can provide a service of choice to the consumer. Prices go up and up and without competition so there are no choices. Overall how can up and coming students afford better education to compete with the rest of the world. No more price hikes. Thank You.
