**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local, competitive service provider (Sonic.net) because competition is good, something I support.

I do not want to be a slave to one service provider and I want that provider to be local with NO price hikes that will increase the cost of internet and telephone services.

Broadband is critical to the success of my company. I have DSL now and I look forward to, need, fiber optic to be competitive.

Sincerely,

Ron Koeberer
