**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because I know they want to keep me by providing the best service possible.

I say NO to price hikes that will increase the cost of internet and telephone services.

Broadband is critical to my home, business and kids school work.

We live 20 miles from the nearest large city and local broadband providers are so critical!
