**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The reason why I chose a local provider is because I am one of many consumers who simply needs fast internet without frill. Comcast, AT&T and other big companies do not offer just internet but offer "add ons" that I do not want such as cable. As consumers, we want options. Don't take that away from us. Thanks!
