**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. Its critical that we need to continue to have a competitive market place for broadband. Smaller companies offer more innovative products, better customer service and are connected to the local communities. These things are all very important to me and should be to you too.
