**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition decreases the cost to consumers and fosters innovation. Be on the right side of history. In my area, the local ISP provides much better service than the incumbent and is actively rolling out fiber. No such luck from the lazy cable company who'd just as soon lobby to keep the status quo and uphold their monopoly.
