**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what has helped to make America great. We need more competition in internet providers. Not LESS. Do not let AT&T take important tools away from our local internet provider. Without the use of critical unbundled network elements competitive providers cannot grow. Without competition, the consumer gets poorer service for more cost. Not good.
