**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Dont deny small internet providers like sonic access to the infrastructure necessary for them to provide internet access to their customers.

I use sonic for my home phone as well as internet access. I like using a small local provider because if theres ever a problem I can call and talk to a real, local person and resolve any issue quickly and easily.

Thank you
