**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please preserve broadband competition! I rely on a small internet provider (Sonic) for my internet access and they need access to copper. I chose Sonic because my neighbors recommended it for affordable, reliable internet access with great customer service. The neighborhood consensus was that the big providers were a hassle to deal with, and much more expensive. Please keep them in line by protecting small ISPs like Sonic.
