**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We get great internet service through Sonic which is a local internet provider here in Sonoma County. They provide much better service at a more affordable price. This is important to our business.

Please maintain the current more competitive environment. Monopolies just do a bad job.

I believe this is way you required AT&T to make the last mile access available to smaller providers to begin with.

Thank you.
