**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please pay attention to the needs of consumers and small business owners and allow broadband competition. We have supported our local internet and telephone provider and would not like to see price hikes that would be brought about if AT&T is allowed to exclude access to the copper lines to households.
