**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition. We have seen that competition through smaller companies has led to a more positive customer experience. While the Big Cable is sitting content and stubborn with what they have to offer, the smaller service providers truly care about the customer experience. In Berkeley, we deserve a better network system and service.
