**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In my area there are currently two options for internet, At&t and Sonic, a local ISP. For a long time it was just At&t, and it was terrible. They treated me horribly, and I had no other options until Sonic started offering services I my area and I switched to them. Since the switch our service has gotten miles better, and if you, the FCC, take away access to critical unbundled network elements it will effect me and my family.

Please do not take away access to critical unbundled network elements
