**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let's stop favoring the big conglomerates who monopolize markets so they can band together and extort more money from their customers!

We are tired of big money influencing government and officials and lobbying to get away with more...and leaving the public with fewer choices!

Open the means for competition to the many, not the few who wield all the power and take advantage of it.

This has got to be the trend going forward. AT&T is hog! Nothing but a big machine eating everything in its sights. Let's give them some competition so they have to work hard for their profits like everyone else!

Thank-you.
