**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My job requires internet access at home. I use Sonic.net, a competitive provider that offers a high level of service at a competitive price. I support broadband competition as it allows a choice of providers based on individual user's requirements, and I would welcome more competition in my market.
