**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T and US Telecom represent the worst face of huge corporate greed. Their marketing is relentless, their packages are confusing and bloated, their customer service is so bad it is almost funny. I left AT&T to go to Sonic for broadband internet, and I have been very happy with their service. I work from home, and I need reliable internet service. I don't watch TV, so I don't want to be forced to buy a package. I only want internet, and Sonic provides that. Please don't take away the critical last-mile copper and inter-city fiber that makes companies like Sonic able to compete.
