**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,
We all need competition in internet providers.
Real high speed broadband is critical to our business and home.

We need more competition in the telcom business at every level.
Our current provider has already proven to fail to deliver in our city in Silicon Valley(!)

Please stand up and represent the people

Thank you!
