**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not have any reasonable options for high speed internet service where I live. Fiber to the home should be available everywhere in America. The telecom industry is not competitive. The existing giant companies do not respond to customer demand. It needs less regulation and fewer obstacles to entry.
