**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is critical to keep broadband competition fair with a level playing field. We subscribe to a relatively small provider with great service. They should have the opportunity to compete and offer this service. This service is now a necessity in our world, both for work and to manage personal affairs, for the well to do and for those with less.
