**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I chose my LOCAL competitive provide because they provide
excellent service, answer all inquiries and keep prices reasonable.

Big conglomerates are not motivated to provide good service
to small consumers. I am completely dependent on my internet access
to do my business. I want my local provider to have access to
infrastructure. DON'T sell out to big conglomerates, PLEASE!
