**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner so is my wife as well as personal internet user at our home. We have not needed cable for the last 5 years because of the competitive rate Sonic (which is a local business as well and started in the very city grew up in) has been able to provide an extremely well competitive rate compared to the giant companys like Comcast and att. Please fight for the small guys fight for far competition

Thank you,
