**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

we as a customers need to be able to choose among competitors what company and services we like.
Lets keep a healthy environment without total monopolies.
Personally we need competition for our broadband for my business, my home and my wives
preschool just like we have competition in our business.
lets not allow big fat envelopes to rig the system!
